MS YACHTING new Humphree Center on the French Riviera

We are delighted to announce MS Yachting as our new Humphree Center, located in Frejus on the French Riviera. An ideal location between St. Tropez and Cannes to quickly reach the major ports and marinas in the area. Managed by Mickel Pujol and Simon Dubois, they pack extensive knowledge and experience of the Humphree product range.

We look forward to an even better local support and availability for our customers in this region. MS Yachting will manage their own projects as well as a dedicated local Humphree dealer network.
